Worksheet for determining the
ECSE Educational Environment

Child's Name:_____

Is this child attending a **regular early childhood program** (i.e. Head Start, private preschool, district-run preschool, group child care)? Y/N

 If YES, determine the following:

  A: Hours spent in the regular early childhood program _____

  B: Hours spent receiving special education and related services outside of a regular early childhood program _____

  Calculate: A / (A + B) x 100 = ____ / _____ x 100 = _____%

   • If percent is 80% or more, report in A1: In regular early childhood program at least 80% of time

   • If percent is no more than 79%, but no less than 40%, report in A2: In regular early childhood program 40% to 79% of time

   • If percent is less than 40%, report in A3: In regular early childhood program less than 40% of time

 If NO, is this child attending a **special education program**? Y/N

  If YES,

   • If child is in separate class, report in B1: Separate class

   • If child is in separate school, report in B2: Separate school

   • If child is in residential facility, report in B3: Residential facility

  If NO, is child receiving special education and related services in the residence of the child's family or caregiver? Y/N

   If YES, report in B4: Home

   If NO, and child receives services in a service provider location, report in B5: Service Provider Location

Educational Environment for Child:

___ A1: In regular early childhood program at least 80% of time
___ A2: In regular early childhood program 40% to 79% of time
___ A3: In regular early childhood program less than 40% of time

___ B1: Separate class
___ B2: Separate school
___ B3: Residential facility

___ B4: Home
___ B5: Service provider location
